Recommendation Letter

To those looking for a fabulous hotel venue for their next event in Southeast Asia:

From its impressive and welcoming lobby, to the comfortable and well-appointed rooms, to the sumptuous and diverse cuisine, to the relaxing and rejuvenating spa, the Borei Angkor stands out not only in Southeast Asia, but on the world stage. What really sets it apart, however, are the caring and professional staff. Attentive without being overbearing, the Borei Angkor Team is there to meet every need and strives to ensure happiness in their guests.

The Collective Leadership Institute has selected the Borei Angkor as the venue for our annual workshops in Asia for the past 5 years in a row. The two ballrooms, coffee breaks, and buffet lunches have suited our needs perfectly. The Borei Angkor Team - including Ms. Kanha, Mr. Rith and Mr. Joy - have felt like an extension of our own team, making for a seamless and positive experience for our participants. Our participants have consistently reported being very happy with the venue, accommodations, food, and staff.

We look forward to being back next year and encourage you to consider the Borei Angkor as your go-to venue in Southeast Asia.

Sincerely,

Collective Leadership Institute gGmbH
