Dear Miss. Kanha, Mr. Sophy & Team,

Thank you for helping to make our wedding day such a memorable occasion. It was truly a fairy tale day, and it was everything that we had hoped for, and more!

We are so thankful for your ideas, your time, your flexibility and your willingness to communicate and understand our ideas and requests for our wedding. You certainly helped us to plan a wedding without much stress at all, which is not something that can often be said, even in our home country of New Zealand. Many people commented that Julie was such a calm bride, and we believe that much of that was due to the confidence we had in you and your team in hosting our big day.

The ballroom was the ideal place to hold our wedding service, and our guests were in awe of how amazing it all looked. The flowers were perfect, and everything that we had requested in terms of sound equipment, stage decoration and lighting was excellent.

The evening poolside reception was absolutely amazing. Many of our friends and family from New Zealand commented that it was the best wedding they have ever been to! The location, the atmosphere, the table settings, the decoration, the quality and presentation of the food, and to top it all off the most impeccable service from your team, made the evening a 10 out of 10 event. Thank you.

Please pass on our sincere thanks to each member of your team who helped to make our wedding day the best day of our lives. We truly appreciate each one of you.

Kind Regards,

Geoffrey and Julie McGregor
